### **Witney 0-2 Slimbridge**

The Swans impressive away form continued with another good win at Witney this evening. Karl Nash and Jamie Martin did the damage on a fog filled night where the visitors rarely looked troubled by the home side.

Karl Nash was denied what seemed to be a cast iron penalty on ten minutes, but Nash scored two minutes later, beating two defenders and the Keeper. After missing a host of chances, the game looked temporarily in doubt as fog shrouded the pitch, but this cleared for the second half.

After 60 minutes, the Swans doubled their lead - Anthony Nash fed Jamie Martin, whose shot was palmed away, and the Slimbridge striker was felled as he went for the rebound. Martin got up and despatched the penalty.

Anthony Nash should have added another goal on 90 minutes, but fluffed his shot and missed the target.

With Goalkeeper Dave Evans having an easy night, and a commanding performance from Slimbridge, it was a comprehensive victory. The Swans travel to Lydney on Saturday for a Bluefin Insurance Challenge Cup tie, kick off 3.00pm.
