Club Chat with Tim Blake

Good afternoon, and welcome to Wisloe Road, and a warm welcome to our visitors from Banbury United. We hope you enjoy your afternoon with us and have a safe journey back home later on today.

With our visitors topping both the League Table and the Form Table, there is no doubt that we will be in for a tough encounter, but as Leon said last week, the lads are learning all the time and have come on in leaps and bounds from the start of the season.

I was doing some research into the populations of the towns (or villages) that the teams in this league have in their catchment area, and was not too surprised to find us at the bottom of the table in a group with Bashley and North Leigh before a gap to Nailsworth and Wimborne. The fact that we are at this stage of the season and in the position we are is a tribute to Leon, Freddy and everyone who is working so hard this season for our football club.

Incidentally, our population is 1,136, Banbury's is 43,867. That's a measure of the task we face each week..

A reminder we're back here on Wednesday when Cinderford Town come to Wisloe, and then we're off for our second game of the season with Bashley next Saturday, for those of you who like a little trek on a Saturday afternoon.

Anyway, enjoy the game, support the lads and the club, and see you back at Wisloe during the week!

Tim

Our Visitors

Banbury United's genesis is to be found in Spencer Villa, a works club formed in 1931. Friendly matches were played on a ground on the town's Middleton Road. The club joined the Banbury Junior League for the 1933-34 season and won the championship at their first attempt. They changed their name to Banbury Spencer in 1934 and moved to their current ground for the start of the 1934-35 season in which they competed in the Oxfordshire Senior League. This too they won at their first attempt. During the season they were elected to the Birmingham Combination for the start of the 1935-36 season.

After the war, Banbury resumed in the Birmingham Combination and turned professional for the 1946-47 season. In 1947-48, with attendances averaging 3,500, they finished runners-up in the league and reached the first round proper of the FA Cup for the first time, losing 2-1 at Colchester United, at that time a Southern League club. The next season the ground attendance record was broken when 7,160 turned up to see Banbury lose to Oxford City in the third qualifying round of the FA Cup. The same season also saw Banbury reach the final of the Birmingham Senior Cup, losing 2-1 to Nuneaton Borough. Banbury's manager at this time was Jimmy Cringan, who had joined them in 1936 and was to remain 'The Boss' for no less than 25 years until his retirement in 1961.

The status of the Birmingham Combination began to decline in the early 1950s. At the end of the 1953-54 season the league disbanded and, along with most of its remaining clubs, Banbury joined the Birmingham League. In 1959-60 they reached the final of the Birmingham Senior Cup for the second time, again losing to Nuneaton, this time 1-0. In 1961-62, Banbury reached the first round of the FA Cup for the second time, travelling to Third Division Shrewsbury Town and losing 7-1.

Our Visitors

The Birmingham League expanded further and renamed itself the West Midlands League for the start of the 1962-63 season. Around this time the club's owners indicated their wish to cut their links with the club and so in 1965 a group of local businessmen bought the club. Banbury Spencer became Banbury United. The new owners were ambitious and were looking to a higher grade of football. Former Chelsea, West Ham, Arsenal and England player Len Goulden was installed as manager. During the summer of 1966 Banbury were elected to the Southern League. Significant improvements were made to the ground. Floodlights were installed and the famous old railway coaches that had been used as changing rooms were removed and replaced by a new clubhouse.

United then embarked on an unbroken 24-season run as members of the Southern League. They came close to league honours in 1967-68 when they finished in seventh place in the First Division, just two points and three places behind Rugby Town who were promoted to the Premier Division. The first round of the FA Cup was reached twice more; in 1972-73, United lost 2-0 at home to Barnet, then a Southern League club, and the following season, after a 0-0 draw at home, they lost 3-2 away to Fourth Division Northampton Town in a replay. United twice reached the last sixteen of the FA Trophy, losing 1-0 in a replay to Hereford United in 1970-71 and, in 1973-74, by the same score in a second replay to eventual Southern League champions Dartford.

From the late 1970s United's fortunes declined sharply as debts mounted. The ownership of the ground was given up as security against the club's debts. On the field the team was also struggling, finishing in the top half of the table just twice in twelve seasons after 1978. In 1990, United finished 21st of 22 and were relegated for the first time in their history, starting season 1990-91 in the Hellenic League.

Our Visitors

Those fans who expected a quick return to the Southern League were to be disappointed. Only in 1993-94, when they finished third, did United make look like making a serious promotion challenge. However, from 1997 onwards a revived and expanded committee brought about such an improvement in financial circumstances that the club was ready to aim for promotion. Former Oxford, Newcastle and QPR player Kevin Brock was appointed first team manager for the 1999-2000 campaign.

United's form up to Christmas of 1999 was good but they entered the New Year no fewer than nineteen points behind leaders Highworth Town. In only eight weeks they overhauled their rivals with a run of 13 consecutive victories. A 3-1 victory at Wantage Town clinched the Hellenic League championship with two games remaining and Banbury United were back in the Southern League.

United's first two seasons back in the Southern League saw them finish 13th and 15th. The 2002-03 campaign began with three straight league defeats but was then lit up by Norman Sylla, a 19-year-old, French-born striker signed from Oxford United's reserve team as a replacement for Matty Gooderick, the leading scorer for the previous three years who had broken a leg in a pre-season friendly match. Sylla went on a scoring spree as United soared up the table with an 18-match unbeaten run. Twice they led the Eastern division and though fading in the second half of the season, a final position of eighth was the best in the Southern League in 25 years.

The plans for the restructuring of the non-League Pyramid were announced during the spring of 2003. United were guaranteed promotion to the Premier division of a reformed Southern League if they could finish the 2003-04 season at least seventh, or take eighth place and win a play-off. That looked unlikely when Sylla departed for Conference football and results were modest well into the New Year. However, eight wins in the last twelve games took them to eighth and a home play-off against Sutton Coldfield Town of the Western Division, Banbury coming from behind dramatically to win in stoppage time in extra-time.

Our Visitors

2009-10 saw a marked improvement with Jeffrey's young team finishing in 12th but 2010-11 was another disappointing one in which relegation was a threat until the last fortnight. Jeffrey stepped down for health reasons at the end of the season and was replaced by Ady Fuller who had played for the club more than 450 times and led Daventry Town to the Division One Central play-offs in 2010-11. Five wins in the first eight games of the 2011-2 season took United to second place but as players left the cash-strapped club, tempted by better offers, an alarming slump followed. Winning only six of their next 31 matches, United fell into the relegation places on Easter Monday. Two wins in the last three games saw them to safety.

September 2012 would see new owners of the football club, and after a disappointing start to the season, the replacement of Ady Fuller with former Barnet manager Edwin Stein. Though the final position of 16th in 2012/13 was the same as the previous season, the club had never seriously been threatened, unlike in 2011/12, with being dragged into the relegation battle. Season 2013/14 began well enough and United were as high as eighth in the table in early February but financial issues and the resultant release of players led to a run in which just one point was gained in 12 games, the club eventually finishing the season down in 19th place,

Six consecutive defeats at the start of the 2014/15 season saw the resignation of Edwin Stein and the subsequent appointment in late August of former Oxford City, Witney Town, Banbury United, and Didcot Town coach and Abingdon Town manager Paul Davis to the manager's position. The club still had hopes of avoiding relegation on the last day of the season but it was not to be and, after 11 seasons at Premier Division level, the club is playing at Division One level in the South & West Division this season.

Former Oxford United player and Brackley Town and Oxford City manager Mike Ford was appointed manager in May 2015.

Slimbridge 2-3 Taunton Town 5th March 2016

Fifth placed Taunton Town may have recorded their expected double over the Swans this afternoon at Wisloe Road, building on a 4-1 victory at the Viridor Stadium in October, but were made to fight hard for the victory after a spirited Slimbridge revival saw them claw back a two goal deficit, before eventually losing to a badly defended corner.

The result leaves the Swans in 15th position in the table, mathematically still ten points from being assured of playing at this level next season, but with now a seventeen point gap between the Swans and Burham, who occupy the second from bottom spot, it would take an astonishing turn of events to see the Swans sucked into the relegation battle.

During the previous encounter between the two sides, the difference between them was down to some clinical finishing, and it looked like history was repeating itself when the Taunton took the lead in the first minute - Rich Thwaite attempted a back header to Keeper George Burton, only to see Jamie Short to pounce on the ball and drill it past Burton to put the visitors on the scoresheet early on.

With 20 minutes on the clock, Lewis Powell converted a cross to double Taunton's lead, despite these being their only two efforts on target. The visitors were dominating proceedings, with crisp, bright passing moves, despite the lack of a real end product.

But one thing that we have seen from this Slimbridge side this season is determination, and they fought their way back into the contest in spectacular style - After Babatunde had brought a good save from Taunton stopper Lloyd Irish, Sean Lawson's strike from the edge of the box on 56 minutes beat Irish all ends up, and the Swans were back in it.

Within a minute, Lawson had swept in his second of the game after great work and a good lay off from Paul Fahy, and the scores were level.

The deciding goal of the game came on 64 minutes, when slack Slimbridge marking from a corner allowed Owen Irish far too much space in the six yard box, and he made no mistake to retake the lead for the visitors.
