Club Chat with Tim Blake

Good afternoon, and welcome to Thornhill Park. I'd like to offer a warm welcome to players, official and fans from our visitors Bridgwater Town. We experienced some very friendly hospitality at Fairfax Park earlier in the season (when we eventually managed to get down the M5), and we are looking forward to paying you back this afternoon. We hope you enjoy your afternoon with us, and have a safe journey back home later on.

My first task, of course, is to say that I hope you all had a good Christmas, and wish you all you want for yourselves in 2017. Have a happy and safe New Years celebration, and we'll see you at Shortwood on January 2nd.

Since our last game here at Thornhill, we have announced that the visit of Hereford FC on February 4th will be an all ticket affair, the first in our history.

This is to enable to plan properly for the size of the crowd, and make sure we are not caught out on the day with the number of people wanting to get into the game. Tickets will go on sale online early in the New Year – our Webmaster Wizard Rob Peck is setting things up as I write this, but we will also be selling tickets over the bar on matchdays in January to make sure that our fans, whether internet enabled or not, will be able to secure tickets for what will undoubtedly be the largest crowd we have welcomed to Thornhill Park.

Keep an eye out in the local media, the website, our Twitter feed for further details – all the usual suspects, but we will also be ensuring that we publicise our ticket sales at each home game in January – we want to be certain that none of our loyal supporters misses out on this historic occasion.

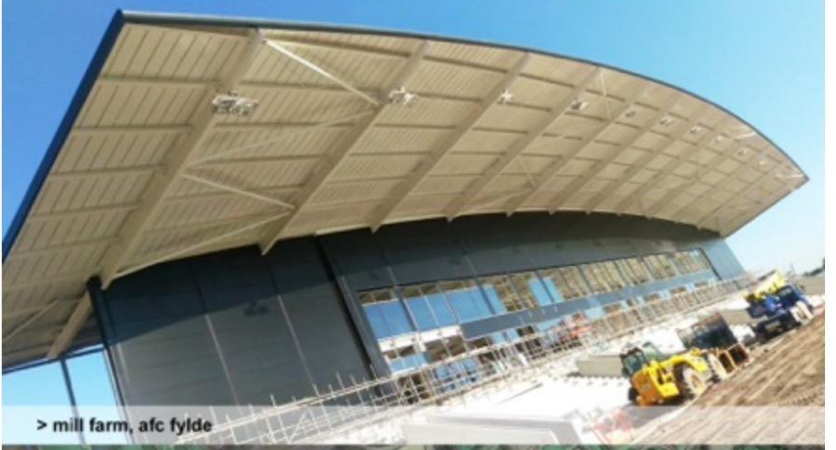

Finally, just to wind up our Chairman and Secretary – what a fantastic evening we had at Bristol Rovers in the GFA Cup. No-one representing the club did anything other than represent us and themselves in the best possible light - despite the result it was a truly memorable evening! City next year, eh lads?

Enjoy the gametoday, Tim

Our Visitors

The first football club to bear the town's name was formed on 28th January 1898 at a meeting held at the Cross Rifles public house in Bath Road. Bridgwater AFC entered the Somerset Senior League playing at a ground in Bath Road and lifted the Somerset Senior Cup in their first full season, beating Yeovil Casuals 1-0 in the Final played at Wells. Unfortunately, the Club was forced to disband in 1901 due to lack of support and financial difficulties.

Two years later another Bridgwater AFC was formed and playing for ten years in local leagues from their base in the Westonzoyland Road area of the town. 1914 saw this club fold due to the outbreak of World War One.

1919 saw the birth of local works side Wills Athletic who played in local leagues from their Victoria Park home. In 1921 they changed their name to Bridgwater Town FC and moved to Chilton Park from where they played for ten further years, winning a few minor honours, until football came to an end in the town until after World War Two.

Crown Dynamos, based at the Crown Inn, St John Street, were formed in 1946 playing at Eastover Park. They played in the Bridgwater & District League for a year before progressing into the Somerset Senior League - finishing a creditable 3rd in 1948. That year also saw the Club move to a new venue, Castle fields, and change its name to Bridgwater Town AFC. In season 1949/50 the Club were accepted into the Western League Division Two and fifth place finishes were achieved in their first two seasons. This was followed up by claiming runners-up position in season 1951/52, thus gaining promotion to Division One. The Club were to remain in the top division of the Western League for the next 30 years, winning the Western League title twice, in seasons 1967/68 and 1980/81.

Season 1982-83 saw the Club make the bold move up to the Southern League Midland Division, but after only two seasons at the higher level, and with mounting debts, the club went into voluntary liquidation….the end of an era!

But like a phoenix from the ashes Bridgwater Town (1984) FC was formed by a loyal band of Club stalwarts and started life at a new home, Fairfax Park, in Division Two of the Somerset County League. Unfortunately, with a young and inexperienced side relegation followed at the end of their first season, but since then steady progression including a hat-trick of Somerset County League titles, the Western League Division One title and Runners-up in the Western League Premier Division in season 2006/07, earned the Club a place back in the Southern Football League 23 years after the heartbreak caused by the demise of the old club.

Our Visitors

The first three seasons back at the higher level were fairly successful for 'The Robins' with the team just missing out on the end of season play-offs in 2007/08 (6th) and 2008/09 (7th) and missing out on promotion after being beaten at home by Cirencester Town after extra time in the Play-off final in 2009/10 after finishing the regular season in 3rd place. Season 2008/09 also saw the team reach the Final of the Southern League Cup losing on aggregate to Atherstone Town.

However, the Club was left reeling with the departure of joint managers Craig Laird & Leigh Robinson and a mass exodus of players during the summer of 2010.Seasons 2010/11 and 2011/12 saw the club battling at the wrong end of the table under the leadership of former reserve team manager Rob Dray. Another club stalwart Kevin Milsom took charge for season 2012/13 and after an indifferent start, things looked to be coming together by Christmas. Then the wet weather caused all sorts of problems for the team who eventually had to play 21 league fixtures in just 57 days! They finished a disappointing 19th.

In 2014/15 Bridgwater Town FC 1984 finished 12th in the Evo-Stik South & West League and were semi finalists in the Somerset Premier Cup under the management of Richard Fey who moved on at the start of the 2015/16 to Paulton Rovers.

Last season saw a new look team under the stewardship of former Taunton Town player and manager Paul West. Whilst the club languished nearer the foot of the table, relegation was never a real threat and Paul bought and brought through a fantastic crop of younger players to help shape the future and ethos of the club. Paul's resignation at the end of season 2015/16 paved the pay for the return of former manager Craig Laird. The future of the club is bright and the club hopes that Craig can bring back some good times very soon.

The Club also run a reserve side who compete in the Premier Division of the Somerset County League, where they were champions in seasons 2008/09 and 2009/10 and an Under-18 team who play in the Southern Division of the Somerset Floodlight Youth League.

Next First Team Game at Thornhill Park – Saturday 7th January v Mangotsfield United (3.00pm)

Bristol Rovers 5-2 Slimbridge, 6th December 2016 – GFA Challenge Cup Round 1

Slimbridge emerged from their first ever meeting with Bristol Rovers on the wrong end of a GFA Cup defeat, but with their pride intact after a battling display at the Memorial Stadium.

Rovers made a good start, and were on the scoresheet with only four minutes on the clock, as Slimbridge were still adjusting to their surroundings – Ross Cook producing a storming header early on to put the hosts ahead.

On the half hour, the Swans' efforts were rewarded when James Harding was hauled down in the Rovers box by Danny Greenslade, and Adam Mace converted the resulting penalty to level things up. There were obviously a few words said in the Rovers dressing room at the break, as they came out again very strongly for the second period, and went back into the lead on 48 minutes, with a stunning strike from Jae Kim to put the home side back on top. But Slimbridge's resilience again shone through, and it took only three further minutes before they were back level – Joe Stokes' curling shot from the left hand side beating Puddy all ends up to record their second goal of the night.

Slimbridge had a superb opportunity to take the lead three minutes later, when Puddy made an outstanding stop to deny Harding when he was through on goal, and Rovers went straight up the other end and scored – Cook's shot brought a good save from Kowalski, but Byron Moore was on hand to convert the follow up in a breathtaking ten minute spell. It took until the last thirteen minutes before they finally confirmed their victory – a magnificent Bodin effort after some dazzling footwork, and, in the last minute, Ryan Broom scoring from close range to round things off.

Rovers go on to face Cinderford Town in the next round, but everyone involved at Slimbridge can reflect proudly on another first in a truly historic season for the club.

Team: Kowalski, Grimes, Mace, Ryan Thwaite, Rich Thwaite, Turner (Haskayne 45), Twyman, Stokes, Smith (Matondo 65), Harding (Martin 50), Lawson

We hope you had a fantastic Christmas, and SAFC wish everyone in the Swans Family – Officials, Players, Staff, our loyal Supporters, our sponsors and advertisers, and our many friends around the country – a happy, healthy, peaceful and joyful New Year.

Thanks to everyone for their efforts and support in what is proving to be a truly historic season in the proud life of our football club.

Let it snow let it snow, let it..

The festive period is often the time for local football attendances to swell. Families flock to matches at any level with their leftover turkey sandwiches, the whiff of dad's new aftershave and the previous day's arguments over a game of monopoly, forgotten.

Such matches, normally against local rivals, are eagerly anticipated, especially by the most committed fans although sometimes, 'mother nature' gets in the way. Whilst some countries opt for a winter break, in England, even at part-time, 'the show must go on' or does it? Are postponements the name of the Christmas game? The chart below illustrates how many matches have been affected by the weather over the 'big money' gates across Boxing Day and New Year.

Perhaps surprisingly, since the introduction of the new Southern League in 2004, there have only been 24 matches postponed over the Boxing Day Bank Holiday. In recent years, even that figure has been improved with only two of the last 56 scheduled meetings on that date falling victim to the conditions. However, New Year's Day (including when matches have fallen on New Year's Eve), suggests that just one week later, winter takes its toll with nearly double (43) games having been beaten by the weather. 2010/11 was the harshest to date, with only one fixture taking place across the two dates. Ironically, in this case, Weymouth would have been cussing the hard work from their ground staff as they ended up losing 4-0 at home to Truro.
Christmas holiday postponements usually mean that the re-arranged game is played on a free Tuesday night in January. Shoe-horned amongst numerous other fixtures when most people have the 'back to work blues', lack of cash, or simply can't attend midweek games it has a big impact on attendances and hence on clubs finances. One notable game that missed out on a bumper crowd was at Bath City, in the Southern League's first season.

The Boxing Day local derby with Chippenham Town had to be postponed due to a frozen pitch, and rescheduled for Tuesday 22nd February. The attendance for the re-arranged match was 847, the only time the crowd between the two clubs for a league game was under four figures. In comparison, when the same teams met on Boxing Day in 2002, nearly 2,000 attended Twerton Park.

Let it snow let it snow, let it..

In the Southern League Division One South West, across the last five seasons, 10 matches have been cancelled on Boxing Day (or equivalent), with a further 18 across the New Year dates. Last season saw a couple of local clubs fail to play over the bank holidays. The only Boxing Day match postponed in the league last year was Slimbridge v Shortwood. Eventually the rescheduled match took place on 3rd February, but still attracted an attendance of 109, an increase of Slimbridge's overall average of 85. Shortwood also failed to play eventual league champions Cinderford on 2nd January, meaning they missed out on two potential larger gate receipts. After a further downpour the following month, they met on 22nd March. One hundred and twenty two attended the fixture at Meadowbank, which 'wood won 2-0, in front of their highest crowd of the season. In this instance it could be argued the postponement worked in their favour, as by then Cinderford were closing in on their first ever promotion to the Southern Premier. The previous year's corresponding fixture was played on Easter Monday, another date where attendances are often increased. The crowd then was a near identical 124, although in this case it was to witness a mid-table clash.

The Bristol clubs are often paired together across Christmas and New Year. Neighbours Mangotsfield and Yate boasted a crowd of 293 on Boxing Day 2012, which was the Mangoes' highest attendance of the season (their average was 144). The reverse fixture saw 367 flock to Lodge Road, in this case about double Yate's average attendance for that season.

There are sure to be some groundsmen working overtime in the ensuing weeks. Looking at the figures above, their efforts will certainly be worth it.
