Western League Premier Division

Thursday 10 April 2014

Slimbridge 3-1 Longwell Green Sports

In their third game of four within a week, the Swans made it seven points from a possible nine with another impressive performance to see off Longwell Green Sports. The home side fell behind to an early penalty conceded after Callum Preece was deemed to have committed a foul, but bounced back quickly with two goals from Jack Twyman and Adam Mace. Danny Chandfler wrapped up the points in the second minute of stoppage time at the end of the game.

The win puts even more distance between Slimbridge and the bottom of the table and mathematically confirmed they will be playing Western Premier League football again next season.
