Bishops Cleeve 0-1 Slimbridge

The Swans completed their first Southern League season just as they had started it at Wantage in August - a 1-0 win on the road with an Adam Mace goal securing the points. The victory took the Swans above their 40 point target for the season, and set them up nicely for Wednesday night, when they travel back to Kayte Lane to meet Cleeve again, this time in the GFA Senior Challenge Trophy Semi Final.
