Slimbridge 0-4 Yate Town

A sluggish performance from the Swans saw them put to the sword by Yate Town at Wisloe Road this afternoon. The home side appeared to be suffering the after effects of their exertions at North Leigh in midweek, and failed to muster a shot on target during the whole 90 minutes. Another early penalty was conceded, this time being converted, and from there on in, there was no way back for Slimbridge, who need to regroup for their FA Cup tie at Egham Town next weekend
