Bideford 1-0 Slimbridge

The Swans returned from one of their longer trips of the season pointless, and their bad run of form continues, but it could have been different had they had the rub of the green on a couple of occasions - Adam Mace's rare penalty miss could have put the visitors back in the frame after Billy Tucker's goal that ultimately proved decisive, and the Swans still could have nicked a point in stoppage time, when Rich Thwaite's effort went agonisingly wide, but it was not to be.
