Bishops Cleeve 0-0 Slimbridge

Two games into the new Southern League season, and Swans Assistant Manager Freddy Ward was pleased with the first 180 minutes from his side. 'Four points from our first two games is a good start' he said after the final whistle. ''It was a typical local derby - competitive and fiery, and I think a draw was a fair result. The lads played well, and I thought Sean Lawson had an outstanding game'.

The result sees Slimbridge undefeated and sitting in sixth place in the table. Slimbridge will be looking to build upon the impressive start at Lodge Road on Saturday when they visit Yate Town (3.00pm), before a big test when Swindon Supermarine visit Thornhill Park a week tonight (17th, 7.45pm).
