# FA Cup 1st Qulifying Round

# Saturday 3 September 2016

# Fleet Town 1-1 Slimbridge

The first ever encounter between these two sides ended in dramatic fashion, when Liam Orchard drilled in a 93rd minute equaliser for the Swans, who will now entertain Fleet on Wednesday at Thornhill Park (7.45pm) in the replay.

The result means that Slimbridge's visit to Bridgwater Town, scheduled for Tuesday has been postponed and will be rearranged for a new date later in the month. Fleet had taken the lead in the first half against the run of play, but subsequently it was a stuttering Swans performance that looked to be heading for their first defeat of the season until Orchard's intervention.
