Salisbury 3-0 Slimbridge

The Swans run of defeats stretched to six games, after another battling performance was undone by better finishing from their opponents. Salisbury had a massive slice of luck early on when Taurean Roberts' cross caught the wind and sailed over Keeper Pete Davies to put the hosts ahead early, but it was not until the last 15 minutes that two further goals secured the points for home side, who looked a lot more uncomfortable than the scoreline might suggest.
